If a Chapter is Inactive for three (3) consecutive full years, a written notice will be sent by Headquarters to the last known President, Secretary and Treasurer of said Chapter and its District Governor. If the Chapter is not reactivated and ceases to become Inactive within six (6) months of that notice, the Inactive Chapter's charter is automatically deemed suspended and its unrestricted and uncommitted assets and funds will be transferred to the District of that Chapter, with fifty percent (50%) of such assets and funds going into the District scholarship foundation in the name of such chapter (or the AHEPA National Educational Foundation in the name of such Chapter if no District Educational Foundation exists), and the remaining fifty percent (50%) of such assets and funds being used by the District of such Inactive Chapter to help problem Chapters in that District and fund District programs.

If any such Inactive Chapter is subsequently reactivated, then any un-restricted remaining funds or assets of that Chapter held by the District will be returned by the District to that re-activated Chapter.
